INDEPENDENT AUDITORS’ REPORT

The Honorable Members of the
Board of Directors
St. Mary’s Health Wagon, Inc.

We have audited the accompanying statement of financial position of St. Mary’s Health Wagon, Inc. (a non-profit organization) as of December 31, 2011 and the related statements of activities, cash flows and schedules referred to in the Table of Contents. These financial statements are the responsibility of the Corporation’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation’s internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, based on our audit, the financial statements referred to above present fairly in all material respects, the financial position of St. Mary’s Health Wagon, Inc. as of December 31, 2011, and the changes in its net assets and its cash flows for the year ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated May, 1 2013, on our consideration of St. Mary’s Health Wagon, Inc.’s control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report and in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial information statements of St. Mary’s Health Wagon, Inc. taken as a whole. The accompanying financial information listed as a supplementary schedules in the Table of Contents, including the schedule of expenditures of federal awards for the year ended December 31, 2011, is presented for the purpose of additional analysis.
as required by the U.S. Office of Management and Budget Circular A-133, *Audits of State, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. The information in these schedules has been subjected to the procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Members of the
Board of Directors
St. Mary’s Health Wagon, Inc.

We have audited the financial statements of St. Mary’s Health Wagon, Inc. as of and for the year ended December 31, 2011 and have issued our report thereon dated May, 1, 2013. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Corporation’s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion of the effectiveness of the Enterprise’s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. A significant deficiency is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention to those charged with management.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation’s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The
results of our tests disclosed no instances of non-compliance that are required to be reported under Government Auditing Standards.
This report is intended solely for the information and use of the Board of Directors, management, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE
TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133

The Honorable Members of the
Board of Directors
St. Mary's Health Wagon, Inc.

Compliance

We have audited the compliance of St. Mary's Health Wagon, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2011. The Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Corporation's management. Our responsibility is to express an opinion on Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Corporation's compliance with those requirements.

In our opinion, St. Mary's Health Wagon, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2011.

Internal Control Over Compliance

The management of St. Mary's Health Wagon, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Corporation's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing on the effectiveness of internal control over compliance.
Accordingly, we do not express an opinion on the effectiveness of the Corporation’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily disclose all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance and its operation that we consider to be material weaknesses as defined above.

This report is intended solely for the information and use of the Board of Directors, management, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Mission

In keeping with our beliefs that health care is a right for all, we work to ensure availability of quality health care to those who come to us in need. We strive to above all provide services with dignity ever mindful of this God given privilege. In order to fulfill our mission, we believe in healing the mind, body and soul: consistent with and supportive of our philosophy of healing continuous to our commitment to collaborating, spirituality, and empowerment are the basic values motivating our ministry.

B. Purpose

The purpose of the corporation is to oversee the delivery of primary health care to indigent people in Dickenson, Wise, and Buchanan Counties.

C. Financial Statement Presentation

The statement presented in accordance with generally accepted accounting principles. The statement is presented in accordance with the principles of fund accounting, whereby receipts and expenditures are classified into funds according to specified purposes.

D. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles of The United States of America. The accrual basis of accounting recognizes revenues in the accounting period in which revenues are earned regardless of when cash is received, and recognizes expenses in the accounting period in which expenses are incurred regardless of when cash is disbursed.

E. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.
E. Accounts Receivable

Accounts receivable are recorded at the amount of the company expects to collect on balances outstanding at year-end.

G. Depreciation

Equipment and furniture and other assets are being depreciated over estimated useful lives, which range from five to seven years, using the straight-line method of depreciation.

H. Income Taxes

Income taxes are not provided for in the financial statements since the Agency is exempt from federal and state income taxes under Section 501 (c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

I. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.
NOTE 2: **ENDOWMENT FUND**

The Water F. Sullivan Health Care Endowment Fund provides to support the mission of the Health Wagon. The use of the endowment is permanently restricted to be expended on behalf of indigent people in Dickenson, Buchanan, and Wise Counties.

On December 31, 2011, the fund totaled $224,000

NOTE 3: **CASH**
